

Clark County Public Library Teens on YouTube!

Clark County Public Library YouTube Permission Slip

Clark County Public Library is going to be videotaping teen events during Teen Tech Week (among other times in the future) and we want you to be in our videos! However, we need a parent/guardian signature stating that it is okay for you to be on a video that will later be uploaded onto the internet. Hope you can be a part of it! Please have your parent/guardian fill out the form below and return to the library.
